Fill out the **NEW GROUP** form with the appropriate name and location of your group. **SELECT SECRET** in the **PRIVACY** category so your group will only be seen by the people you invite.

**INVITE** Members. Any members of the group will have to be added by the group administrator if the group is Secret or Closed.

**POST** to the group frequently to keep conversation lively. Find **INTERESTING IMAGES** or **MEMES** to keep humor in the group tone.
