

## DIABETES PREVENTION IS GOOD BUSINESS

---

AN EMPLOYEE WITH DIABETES COSTS YOU  
**\$13,700, 2.3 TIMES** HIGHER THAN AN  
EMPLOYEE WITHOUT DIABETES

---

The ROI is **\$55K over 10 years** when  
DPP-educated employees prevent their  
progression to type 2 diabetes.

Offer the Diabetes Prevention Program  
as a covered health benefit:
